Rebranding to Align with Community Needs

Last fall we began to work closely with our advertising agency, Gelia Marketing Communications, to evaluate The Center for Hospice & Palliative Care (Hospice Buffalo) brand and help us develop an identity that fully represents our comprehensive programs, services and continuum of care, and to streamline our logos. Gelia met individually with board members, leadership and clinical staff to research and learn about our services

and challenges. We then created a strategy team which included members from outreach, education, admissions, hospital liaisons, and marketing, to listen, brainstorm, collaborate and form a consensus about our future. After months of collaborative discussions, consultations with marketing professionals, and weighing a variety of opinions, our leadership team settled on **“Hospice & Palliative Care Buffalo”** as the new name for the organization. This name

recognizes the strong brand identity earned by Hospice Buffalo, while acknowledging the tremendous success of palliative care achieved through our Home Connections and Essential Care for Children programs. Going forward, we will display one unified brand in all marketing, advertising and promotions to the community: Hospice & Palliative Care Buffalo. ■

Retirement Announcement

Patrick Flynn

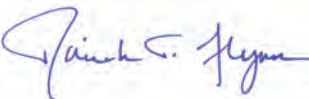

After nearly 30 years with the Hospice Foundation, it is with immense gratitude that I announce my retirement. As I write this final Journeys letter, I am filled with mixed emotions: excited to spend more time with my grandchildren and family, yet reflective, as I depart from an organization and mission that I love so dearly. I have had the great privilege to work with so many incredibly passionate and empathetic people – those with high integrity and passion who have dedicated their lives to advancing the philosophy of hospice and palliative care. Today, hospice care now sits as a fully integrated part of mainstream medicine. Along the way, Hospice Buffalo has provided compassionate and loving care to tens of thousands of people in our community, helping to relieve the burden of disease while providing comfort to the souls that surround those they love.

From the clinicians who work at the patients' bedside, to those who support their work, I am in awe with tremendous satisfaction and pride for what we have achieved together. I am humbled by the unwavering generosity and advocacy of our community, spearheaded by both donors and volunteers, who have invested their time, talent and resources, enabling Hospice Buffalo to become one of the most respected hospice and palliative care programs in the United States. Literally tens of thousands of people in our community have benefited from Hospice Buffalo's extraordinary care. I am honored to have been a part of the evolution of the grassroots hospice movement – caring for just a handful of patients per year – to serving more than 900 patients and their families each day.

I will miss the many loyal, gifted and wonderful friends who I have worked with over the years, but feel it's time for others on our Foundation Team to share their talents. This experience has been so rewarding and enriching. I wish to thank my wife, Mary, my family, our amazing employees (both past and present), current and former trustees, generous volunteers and donors, patients and their family members for this rich and humbling experience.

As I step aside, I wish to thank you from the bottom of my heart for your support, your dedication to the hospice mission and your friendship – the relationships built during my tenure will forever be a part of me.

With Sincerest Gratitude,

Patrick T. Flynn, President, Hospice Foundation

Why Do I Walk?

Before Christine (Chrissy) met Arthur, her only memory of Hospice was when her grandmother passed away hours after she was brought into hospice care. Today, not only has her outlook on hospice changed, but she has become a true ambassador for Hospice Buffalo.

Chrissy met Arthur Keroack, Jr. in July of 2015, and it seemed to be 'love at first sight.' Arthur bought an engagement ring and planned to propose during their vacation, but decided to hold off. He was constantly fatigued and growing concerned about his health – progressive weight loss, frequent nose bleeds, and violent vomiting multiple times per day. Various doctors couldn't find anything wrong, but Chrissy knew something wasn't right, so she became his advocate. She showed a new doctor a picture of how healthy Arthur looked when they first met – they finally looked deeper. In June 2017, Arthur was diagnosed with Stage 4 liver cancer.

Witnessing Arthur's decline and anxiety when repeating his condition to each different visiting nurse from the homecare agency, her sister suggested calling hospice for help. Chrissy said, "Arthur is not ready for hospice – that is where you go to die!"

Shortly after, Chrissy and Arthur decided to meet with a Hospice Buffalo social worker. "By the end of our conversation, we felt a giant weight had been lifted off both our shoulders. We were blown away by the number of people and resources that we would now have access to, guiding us through this difficult time."

Arthur started Hospice homecare in November 2017, with visits three to four times a week. And when pain was too much to bear, they utilized the Hospice Inpatient Unit (HIU) for 24/7 care. Chrissy said, "Switching to Hospice was the best thing we could have done. When we decided to get married in the middle of winter on December 1, 2017, his nurse actually came to the hotel to treat Arthur!"

Chrissy mentioned that the highlight of Arthur's week was when his aide, Peggy, visited. "She helped Arthur realize how much he accomplished in his short life. They formed a special bond."

Peggy recalls, "I would bring Art his favorite French vanilla coffee from Tim Hortons...we laughed and Art would share some of his boyhood memories and stories of his Catholic School days. I always felt gratitude to God for those visits because I could bring a little hope to Art and for a few shining moments, he could relax with some joy and no pain. The deep love and admiration he had for Chrissy is indescribable and an example to all of us."

What an example of selfless love on both their parts during those final days – and what a sacred privilege for me."

Chrissy recalls, "I came home from work one day to find the laundry folded and dishes done. I asked Arthur, 'Was my sister here today?' He said, 'Peggy did all this so you can spend your time with me.'" As tears welled Chrissy said, "Peggy cared about me having as much quality time with Arthur, as she did for him!"

Sadly, Arthur passed away in the HIU on April 28, 2018. Chrissy's most memorable moment immediately followed: "After Arthur passed, every worker came to say goodbye – many gathered around him in prayer. It was at that moment that I felt extreme comfort – realizing just how many people Arthur had touched during his time at Hospice."

Two weeks later, Chrissy and twenty-five of her friends and family formed a team for the 2018 Hospice Memorial Walk, raising over \$3,400! Chrissy has continued to support and give-back to Hospice Buffalo ever since. She coordinated meals for our staff and patients' families during Thanksgiving and Christmas, and helped organize a toy drive for the patients in our Essential Care for Children program.

In July 2019, Chrissy participated in "Pitch Day" at GEICO where she is a litigation examiner. The GEICO Buffalo office was selected to host this competition for Geico staff to pitch their favorite local charity top Corporate GEICO executives. Chrissy shared her Hospice story – awarding \$7,000 to Hospice Buffalo.

"If we didn't have Hospice, I wouldn't have had the quality time I did with Arthur. Hospice is not a place to go because you're dying, but to go to enjoy the time you have left with your loved one." Chrissy said, "It's really important to give back to Hospice – everyone will need it someday." Chrissy would like everyone to know, to not be afraid of the word hospice, but rather, understand there is so much more they can offer. ■

NHPCO features Essential Care – 2020 Gala

Our Essential Care for Children (EC) program, recognized as a national leader in palliative and hospice care, was selected by the National Hospice and Palliative Care Organization (NHPCO). Recently, they came to Buffalo to film our EC staff, along with our 17-month-old patient, Nathan Pitillo, and his family. NHPCO will portray our program and their story at NHPCO’s Spring Gala in late March. Nathan and his parents, Becky and Greg, will also be the feature story in our 2020 Spring Appeal. Look for this story of Nathan and how EC has helped him survive and thrive longer than doctors anticipated. ■

Hospice Birthday Brigade Discovers a “Hospice Helper”

Lorraine Stein, Hospice home care patient, has a wonderful sense of humor and a big heart. This past November, she celebrated her 101st birthday. As part of our Birthday Brigade program, a Hospice Buffalo volunteer, Chris, delivered a beautiful and delicious birthday cake. Surrounded by loved ones singing “Happy Birthday”, Lorraine was elated.

Hospice Buffalo’s Angel Fund creates precious moments like these – giving families the opportunity to come together and celebrate a moment so special, to share more hugs, and laughs, and create another memory with their loved one.

Lorraine shared her thoughts on Hospice Buffalo – “In the beginning, I didn’t know the work they did. A lot of people don’t know about Hospice, but they should because Hospice does a remarkable job. Everyone is smiling all the time, and moments like bringing a birthday cake are so delightful.”

Impressed with the care Hospice was providing to their mom, her son Chris, and daughters Suzy and Trudy, wanted to raise funds to support patient care by holding a garage sale – “We did not put price tags on anything. We gave each person who came, a bag to fill and asked them to donate any amount they wanted for the items. For a small village – together we raised over \$2,000 for Hospice.”

Laughing, Lorraine says, “The secret to life is to wake up and be happy, but the secret to longevity is bacon!”

Happy 101 Lorraine – thank you for welcoming us on your special day.

Sharing and Caring

Calli and Easton Lavocat with their Essential Care toy donation.

Do you know any kids who would willingly **give away** their birthday presents? Well, Cali and Easton Lavocat are those kiddos. Their mom, Anna Lavocat, presented the idea of donating their gifts to children less fortunate than them. Before each of their birthdays she gave a list of charities to the children. This year, Cali (age 7) and Easton (age 5) decided before their birthdays to donate their gifts to our Essential Care for Children program. As a family, they recognize how important it is to give back when you are able. Our sincerest gratitude to the Lavocat family for embodying true selflessness – a lesson for individuals of any age! ■

Welcome Elizabeth Siderakis

Elizabeth is a native Buffalonian who has recently been appointed as the new Executive Vice President of the Hospice Foundation. She comes to Hospice from the University

Elizabeth Siderakis, Executive Vice President Hospice Foundation

at Buffalo where she served for over sixteen years. Most recently, Elizabeth was the Executive Director of Advancement for the College of Arts and Sciences. Prior to that, she served as the Director of Corporate Sponsorship and the Director of Development for the School of Architecture and Planning. In her various roles, she worked with several alumni and friends in the WNY community and across the country to secure funding, organize events and activities, and create new programs and opportunities for alumni and students. She met some wonderful people along the way and will continue to support UB as an active alumna.

Prior to UB, Elizabeth spent several years working in sales and marketing in the food and financial industries. Elizabeth is honored and excited to be on the Hospice & Palliative Care Buffalo team and looks forward to being a part of the Hospice community. She is already overwhelmed by the extraordinary number of people who donate and volunteer their time on behalf of Hospice.

After spending over twenty five years travelling all over the country for her work, she is excited to spend more time at home and be more involved in the local community. She and her husband, Tim, live in Clarence Center, and have three children, Alexa, Christo, and Olivia. ■

Designated Memorials

Gifts received through designated memorials are vital to Hospice & Palliative Care Buffalo. These thoughtful donations are used to provide extra services for our 900+ patients and their families who we serve daily. Two of these services include Expressive Therapies (Music, Art and Massage) and Bereavement Counseling.

When the time comes to make your final plans, please remember Hospice & Palliative Care Buffalo when choosing an organization for which to make designated memorials. When you are clear with your intentions, it makes it easier for your loved ones to follow your wishes. When you designate Hospice Buffalo in the newspaper, you are letting your friends and family know that you wish donations to come to Hospice in your memory.

When \$2,000 or more is received in your name, a permanent legacy is created in your memory. Your name is engraved on the Memorial Pillars on the Mitchell Campus.

We would like to express our sincere thanks to the thousands of family members and friends for their kindness in designating Hospice Buffalo as the recipient of a memorial gift in memory of their loved one.

If you have any questions regarding memorial gifts or our lasting tribute program, please call the Hospice Foundation at (716) 686-8090. ■

Corporate Spotlight

In 1936, Government Employees Insurance Company (GEICO) was founded to provide auto insurance to federal employees and enlisted military officers. They were built on ingenuity, perseverance, innovation, resilience and hard, honest work – the same values, qualities and commitments of Hospice Buffalo since 1978.

Geico 2019 Pitch Day participants

In 2005, GEICO opened its Buffalo office for its rapidly growing Insurance Agency operations, offering homeowners, renters, boat and other types of insurance coverage. The Buffalo office now employs 2,500 members in our community. Since its inception, GEICO has been committed to giving back and caring for communities through the GEICO Corporate Community Citizens program (GCCC). In 1995, GCCC evolved to GEICO Cares with the mission to encourage employees to not only care for one another and the community, but to get them involved and engaged in community initiatives.

Over the past 6 years, employees in the GEICO Buffalo office have been involved with the Hospice Spring Bouquet Sale, selling floral arrangements and raising close to \$12,000 to support patient care programs and services. They also formed a Memorial Walk Team in 2019, raising \$1,710. In the fall of 2019, Hospice Buffalo was selected as one of their local charities, thanks to Chrissy Keroack presenting her personal story at their “Pitch Day,” where she was awarded a \$7,000 donation. This year, Geico will be recognized as a 2020 Memorial Walk Corporate Sponsor.

As a larger employer in Western NY, Geico’s continued participation in Hospice events helps raise public awareness about our exceptional ‘quality-of-life’ care we provide to seriously ill individuals and those who share their lives. We are incredibly grateful for the dedicated support and generosity of GEICO and all its employees. ■

2019 Year-End Giving

Nearly 2,600 donors responded to Hospice Buffalo's successful 2019 Fall Appeal raising nearly \$500,000. Without your generosity, this outstanding support would not have been reached. The 2019 Fall Appeal featured a very moving story of a young mother, Sierra Wimpy. Sierra passed in our Hospice Inpatient Unit (HIU) under the care of Dr. Megan Farrell and the gifted HIU staff. In addition, the Hospice Foundation's Signature Society made a remarkable difference, raising nearly \$300,000 through their personal, handwritten notes to our donors. **Special thanks to Bob & Nora McGuire for serving as the 2019 Signature Society Chair Couple.**

Thank You

together in *dignity*.

Memorial and tribute gifts are a meaningful way to support patient care at Hospice while offering an expression of one's sympathy and respect to family members and friends. To the family and friends of those remembered, we express our condolences.

Thank you to the families who designated Hospice as the beneficiary of donations in memory of their loved ones. The gifts received from designated memorials support patient care — our organization's greatest priority.

Listed below are gifts received by Hospice from October 1 - December 31, 2019. Due to space limitations, only gifts of \$50 or more per donor are listed. However, with proper information, notification of any size gift is sent to the family of those being remembered. Tribute gifts made to Light-A-Life are not listed below.

If there is an error or omission, we are sincerely sorry. Please contact the Hospice Foundation at (716) 686-8090 so we may correct the error.

A caring way to express love and recognition for someone is to give a gift to Hospice in their honor. Occasions and celebratory milestones such as births, weddings, anniversaries, birthdays and graduations are a wonderful opportunity to fulfill a personal gesture of thoughtfulness while affording support for patients with advanced illness and their families.

To the generous and considerate donors who have chosen to make Hospice the recipient of their kindness, we are most appreciative.

Space limitations permit only the listings of donations of \$50 or more between October 1 and December 31, 2019.

Where would you like your gift to go?

HOSPICE BUFFALO PATIENT CARE

Our top priority – we use your gift to support direct care, programs and services for our patients.

ESSENTIAL CARE FOR CHILDREN

This program supports coordination of medical services, emotional, psychosocial and spiritual support to children with life-threatening illness, and their families. Children in our program may have cancer, cystic fibrosis, neurological conditions, immune deficiency or other conditions.

HOSPICE ANGEL FUND

This program addresses the emergency needs of our patients and their families. This could be anything from heat payments to gift cards for groceries and gas. In addition, the Angel Fund seeks to enhance our patients' quality of life by supporting programs like the Birthday Brigade, Music & Memory and Lifetime Stories.

CAPITAL IMPROVEMENTS

This fund allows for improvements to buildings, equipment and property enhancements that increase the overall value of our campus.

GREEN FUND

This fund provides for the beautification of the campus. The Green Fund keeps our campuses blooming and beautiful.

OUR MISSION
